

Date 11 May 2017

Dear Crossref member,

We would like to invite you to join us in Seoul next month. We are hosting a free-to-attend Crossref LIVE Event, at KOFST, 22 Teheran-ro 7-gil, Yeoksam 1(il)-dong, Gangnam-gu. Seoul 06130 on 12 June.

The seminar is relevant for publishers, editors, service providers, hosting platforms, funders, librarians; really anyone interested in finding out more about what Crossref is and does.

The provisional agenda for the event will be as follows:

**8.30: Registration**

**9.00: Welcome: Crossref staff**

**9.15: Introduction to Crossref**

- History
- Mission
- Members and affiliates

**9.45: Crossref & DOIs**

- Working with Crossref

**10.30: Break**

**10.50: Who uses metadata and for what?**

**11.20: Crossref new services**

- Event data
- Support for preprints
- Relationships between research outputs - preprints (above) also data, versions, translations, etc.
- Relationships between contributors - authors (ORCID), funders, etc.

**11.45: Industry initiatives**

- Metadata 2020
- The OI Project

**12.15: Discussion & questions**

**12.30-1.30: Lunch**

**1.30: Update on existing services**

**2.00: ORCID**

**2.30: Break**

**3.00: DataCite**

**3.30: Work with us!**

- How to get involved
- Using Crossref support
- Let us know what you need

**4.15 - 4.30: Data Sharing and ICMJE guidelines**

Professor Sung-Tae Hong, Seoul National University

**4.00 – 4.45: Closing remarks and questions**

Presentations will be in English and slides will be shared with participants after the event. There will be plenty of time for questions and discussion, and you can submit questions in advance when you sign-up or by emailing [feedback@crossref.org](mailto:feedback@crossref.org). There is no cost for attending the event, but we do need people to register as space is limited.

You can register using this link: <https://crossrefseoul.eventbrite.com/>

Please let me know if you have any questions about the event and we hope to see you there!

Best regards,

Rachael Lammey
